## ULTIMATUM TO SOVIET CONVEYS THREAT TO FIGHT

ARMY WILL BE MOBILIZED IF RUSSIANS DO NOT QUIT TERRITORY.

## IS OLD DISPUTE

Claims to Bessarabia Were Never Clearly Defined.

[BY ASSOCIATED PRESS.]

Vienna, Aug. 2.—Rumania has served an ultimatum upon soviet Russia, giving the soviets three days to withdraw their troops from Rumanian territory, according to a Belgrade dispatch received here today.

In the event of Russia's failure to comply, it is added, Rumania will declare a general mobilization.

Rumania's claim to Bessarabia, former Russian territory, adjoining Rumanian Moldavia and including the city of Odessa, has been a subject of dispute since the Russian revolution. It was announced in London last May that Russia had agreed to a settlement of the Bessarabian question without the approval of the allies, in accordance with the Rumanian government's demand, but this never seemed to have resulted satisfactorily for Rumania.

Recently in addition to soviet occupation of the district after the defeat of General Doukine, the operations of the bolsheviks against the Ukrainians and Poles in Poland, have brought the soviet forces close to Rumanian territory proper, although no reports of an actual crossing of the main Rumanian frontier have been received.

## U. B. CHURCH BURNS MORTGAGE OF \$5,000; IMPRESSIVE SERVICE

Burning of a \$5,000 mortgage of three years standing, leaving the debt of \$500 yet to be paid, took place at the United Brethren church, Milton avenue and Third street, last night before a large congregation. The ceremonies were conducted by Bishop H. H. Fout, Indianapolis.

To insure lifting the mortgage, of which \$1,375 was still to be paid up to yesterday morning, \$1,000 was raised by the burning of the mortgage. With cash on hand, the debt was cleared.

Assisting in the service were Rev. G. W. Beach, the local pastor, conference superintendent, and Rev. D. K. Freymeyer, Sun Prairie. Miss Gertrude Fisher, treasurer of the church, and Mrs. J. H. Fout, Indianapolis, were also present.

The mortgage was taken in 1917 when the Rev. J. H. Fout, Indianapolis, assumed the pastoring of the church, and the mortgage was for improvements, the total debt at that time was \$5,000. Two thousand dollars of the amount had been paid, and the balance of \$3,000 still standing, is fully covered by pledges and will be paid the latter part of September.

The church will be free of all encumbrances.

The United Brethren church was dedicated in 1909. It has a membership of 435 and a Sunday school membership of 65. The board of trustees is composed of J. A. Skinner, president; J. H. Fout, secretary; Charles Pope, secretary; and H. W. Kramer and Edward Ward.

## All Types Seek Work at Samson

One of the most interesting features of the Samson tractor company is the employment office. If you have never waited in the employment office of a really large plant it is quite an eye-opener to sit in the waiting room and watch the stream of men and boys that pours into the room. All kinds of men sit waiting for their turns; men who look as if they were in search of office positions and men who evidently wish employment in the production division of the plant. Some of the men are young, some middle-aged, and a few are a trifle beyond middle-age, but all are alike in their look of expectancy when the door of the inner office opens.

## FOUR GROCERIES ARE UNSANITARY

Reports of Dr. L. J. Woodworth, sanitary inspector for the city, that four of the city's grocery stores inspected Saturday, are in poor condition, needing perhaps just a little cleaning in one or two cases, but none in good condition except for a pile of excelsior that might have made a fine fire.

Four grocery stores which were inspected last night, the standard, as three lacked sanitary garbage containers, and two of the four had floors that were in need of a thorough scrubbing. One store is reported by Dr. Woodworth as being careless about cleaning up the spoiled fruit, and another lacking proper screens for doors and windows. A candy case without a back, leaving the contents unprotected, was also noted. The inside of another grocery store, the inside of the case was also in need of cleaning. One store is reported as not properly caring for its icebox, and another store's icebox was found in an unsanitary condition, also.

A restaurant whose garbage cans were found to be unsanitary in a previous visit of the inspector, has remedied this condition, and on Saturday showed sanitary garbage containers to the officer. Part of Saturday morning was spent by Dr. Woodworth in calling on various store managers on the east side of Main street to urge them to do their part in a general clean-up of the alley running parallel to Main street.

Tug o' wars, sack races and potato races, basketball and a dance, swimming and eating were the thrills at the picnic of the engineering department of the Samson Tractor Co. Saturday at the east side of Main street. The day was a success, and the afternoon and evening was crisscrossed with fun for the old and young, the thick and thin. At three o'clock the games started. First there was the race for all children under 14 years of age. Kenneth Luckey was as lucky as his name, coming off the prize. Harold Jensen took second.

Edna Birkness, puffing and panting, slipped under the logs and won the head of Ella Mann in the ladies 50 yard dash. C. J. Whitaker ran off with the first and Chester Campbell second in the men's 100 yard dash. Edna Mann showed her athletic prowess when she beat Mrs. Robert Christman in the potato race.

Fein Wins & Lepp, both won the three logged race. John Taylor and Max Munson a close second. Mrs. Jessa Whitaker and Mrs. Clara Springer were about the only two women who could hit the nail offener than their fingers. Consequently, the pot the "cookin'." Mrs. Fein won first in the sack contest, Howard Boora, second.

Mrs. Christman had the best wing. She and Margaret Nolan, the two best of the farthest. Gladys Franklin and Marian Fletcher took first and second prizes in the needle threading contest. Event number five was a tug o' war between the men and office men. This was a walk away for the shop men. In the five inning ball game the office men beat the shop men 13 to 1.

Supper and Dancing. At six o'clock there was a picnic supper. In the evening McFarland's orchestra played for the dancing. The committees in charge were as follows: general, L. J. Field, C. G. "Last week we didn't have a single contagious disease in the city," reported to the health authorities, Dr. Dr. P. H. Welch, speaking of the general health conditions. "The only way to prevent epidemics of contagious diseases," Dr. Welch added, is to report all cases of contagious diseases to the proper authorities.

"If a neighbor has a communicable disease," Dr. Welch said, "it is your duty to report it to the health department, even if the family are your best friends."

# Samsons Break Jinx With Sunday's Snappy Win of 2-0

By George McManus.

## Locals Come Back After Losing Saturday 10 to 4 And Show Old Time Form

Samson Tractors' losing streak is broken. The jinx was chased from the lot yesterday and made to look mighty like nothing when the Samsons turned on the Simmons Bed company team with searing revenge and won 2 to 0 in an errorless, faultless battle.

As Manager Perryng said after the game, "August is going to be our good month." The Tractors of Saturday and the Tractors of Sunday looked like two entirely different models. The first contest went to the visitors 10 to 4.

Yesterday's game showed the Samsons up in their best form. Every man was on his toes for the entire game and the spirit of the team was such that they played that were hard to make to look easy.

### Lathrop at His Best

The Bill Lathrop was his best self throughout the game. He hit the first home run of the season, a double, in the first inning. He was also the only one to hit a home run in the game. He was also the only one to hit a home run in the game. He was also the only one to hit a home run in the game.

### Hitting Is Timely

Father Perryng tried an experiment yesterday by changing his lineup and leading off with Blagow. It worked and put across Blagow. He hit the first home run of the game in the first inning. He was also the only one to hit a home run in the game. He was also the only one to hit a home run in the game.

### Fielding Shows Snap

In addition to his long hit, Harry Holland was certainly busy in his old form yesterday. He accepted nine chances at second sack, one of them a great spectacular running catch of Hughes's fly and another a startling catch of Hughes's fly. He was also the only one to hit a home run in the game. He was also the only one to hit a home run in the game.

Empire Eckman at the plate was about the best batter seen here this year. He wasted no time in his defense and where a player interceded too much by tongue word or otherwise he warned that he would hit him out of the game. He was also the only one to hit a home run in the game. He was also the only one to hit a home run in the game.

It was a sore day for what with Dumont's wildness and six errors on the part of the Samsons, and Lamps' "Pipes," Connolly routing him with decisions and a catch, and Kenosha's third straight victory over the locals.

George Dumont, the Tractor twirler, started off like a house afire. In the first and second innings, he displayed air-tight ball, striking out four Redmunks. When he went in the box in the third, the first man up fanned and it looked as if George was going to hold the visitors scoreless. Then, something happened.

Five hits followed in rapid succession and before the smoke had cleared away, three runs had crossed the platter, one of them due to Lamps' error at third.

Wooten does in. From then on it looked dubious until the seventh when Dumont was out and Jack Wooten went in to hold the onslaught. Jack did. While he gave three hits and two bases on balls, the entire team stood firm behind him, played errorless ball, and no run came in for the balance of the fray.

Take the third, the fourth, fifth and sixth innings were nightmares. In them seven outages were made to bring the final score to 10 runs for Simmons. Dumont was hit, freely for a couple of three base clouts and three singles to add to the six hits made in the second and third. At the same time, the support behind him was disheartening. Whether it be called bad breaks or what-not, five errors in three innings accounted largely for the five runs.

Heartbreaking hitting. Dumont had his worst inning in the eighth. After Metten had singled and stolen second, George made a wild pitch and Metten went to third. He gave Murphy a complimentary ticket to first. On another wild throw, Metten crossed the plate with the eighth run. Herbert fled out to Holland. Hughes landed on the apple for a long drive into deep center for a three bagger, scoring Murphy. Lee Magee of major league fame popped an easy fly to Dumont. Then came Carter. Dobbins' hard hit fly that Carter muffed and on which Hughes came in with the tenth. Dobbins went out at second on a pretty peg by Shook to Holland.

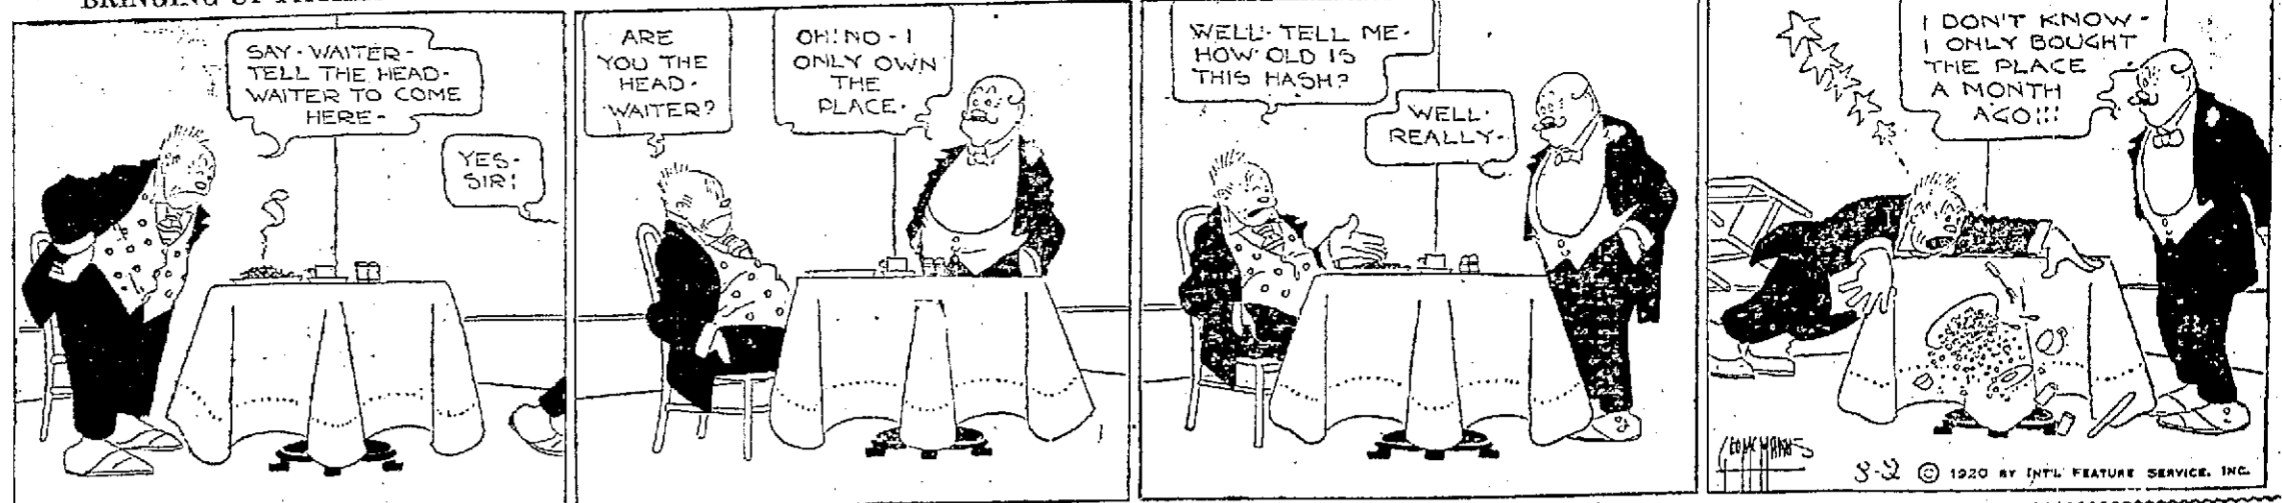

In the seventh, Samson executed as pretty a double play as seen here this season, catching Cole at second and Nagle at first. Schwind to Holland and Nagle to Beale. Schwind's great pick-

Juneau ..... 5 4 652  
Watertown ..... 7 5 583  
Waupun ..... 4 7 492  
Jefferson ..... 2 10 241

Whitewater retained the lead in the Central league yesterday after noon when Jefferson fell before them by a score of 14 to 2. Dodge pitched splendid ball, was steady throughout. His teammates put seven runs across the plate in the first inning.

Benn on the mound for Watertown was in rare form when he held Port Atkinson to four scattered hits, struck out 14 batsmen, Watertown winning the game by a score of 4 to 0.

Juneau had a narrow escape in winning over Waupun in a great hitting game, despite the low score, 5-3. Although out of the game, Juneau managed to slip over a victory. Stack of Waupun hit one of the longest home runs of the season. Knapp sent out a long drive to deep center, which was good for a triple and stretched it into a home run after an error had been made. Waupun hit the ball hard in every round, but could not bunch their walters.

**CHEVROLET SETS NEW 100-MILE AUTO RECORD**  
Columbus, Aug. 2.—Gaston Chevrolet set a new world's record for 100 miles over a dirt track here yesterday when he covered the century without a stop in eighty-nine minutes and twenty-three seconds. Chevrolet drove the same car with which he won the \$50,000 Indianapolis Decatur day race. The former record of ninety-one minutes and thirty seconds was held by Toni Allen at Minneapolis in 1914.

New York.—Six men were arrested at the Polo grounds charged with betting on the New York-Cincinnati ball game.

For the runs were allowed, the Kenosha players declaring the hit to be a foul.

Breckenridge played a star game for the three innings he was in, getting three hits out of three times at bat. His lame ankle forced him to withdraw. Elliott appears to be a sure corner. He drew three hits in five times at bat and accounted for two put outs.

Capron's great catch of Stewart's fly in the fifth was a feature. He ran fully 300 feet to garner it with hands outstretched.
